Payment Options & Late Fees:

Tuition is due on the 1st class of every month (**AUGUST-APRIL**). There is a grace period until the 15th, at which time a \$25 late fee will be applied if payment is not received. Jenny's Dance Dynamics appreciates the diligent effort that all families make to get payment in on time. To help streamline the process there are different payment options. Please read and select which option will work best for you. These options are to help avoid late fees.

Costume Fees

All costume fees will be averaged into your monthly tuition. Starting with the payment made in September.

Tumbling class add \$4

Pom class add \$9

Baton class add \$9

All other Dance classes add \$7

The average does not include tights or shoes. These averages are based on payment made from September-April. If a student registers after September averages will be different.

I will pay monthly by Cash, Check, or Credit Card. If I receive 2 late payments I will then be required to give Jenny's Dance Dynamics a credit card to have on file, to charge, in the event that I am late with my tuition again, or I will be required to set-up an automatic payment with my Credit/Debit card.

I would like to set-up an automatic payment with my Credit/Debit Card to have my monthly tuition charged on the 1st of every month. I have also signed the Automatic payment form.
