

2010-2011 Studio Policies

- Attendance:** Attendance is taken at each class. Good Attendance is imperative, as absences and tardiness can hold back an entire class, and the studio cannot jeopardize its responsibilities to the rest of the class for one student. Classes will continue with choreography even if there are absences, so please make every effort to have your child at every class. **Tuition will remain the same even if a student misses class.** If a student misses 3 consecutive classes, without notification from a parent/guardian, they will lose their spot in the class. Tuition will be due up to the time the office is notified by a parent/guardian if a student needs to quit. If no notification is given at least 1 month's tuition will be due, and any accruing late fees.
- Parent Observation:** We promote a learning environment, and we have found that students learn and pay attention better when there are fewer distractions. Parents are welcome to wait in the lobby during their students' classes; we are going to start discouraging observation from the back of the classroom, as it causes distractions for the entire class. **On the 1st class of each month the class will be open for observation the LAST 10 minutes of class.** If for any reason visitors in the lobby become a distraction to the class the instructor has the right to ask the visitors to step outside or to quiet down. Siblings and other children are also a distraction to the class, please remind ALL Children in the Lobby to be respectful and use their inside voices, and DO NOT talk to those in class. Please enter and exit the studio quietly as classes are usually in session. All students must wait in the Lobby before their class until their Teacher comes to get them. Students will not be allowed in the classroom until their instructor says it is OK. Students need to know that they are to listen and respect their instructors at all times, and that during class is not the time to socialize with parents, siblings, or other visitors.
- Snow/Bad Weather Day:** The studio will not necessarily close for snow days regardless if area schools are closed, since many times roads are clear and safe by 2:00pm. If in doubt call Jenny for a recording on whether class will be held, there will also be a note posted on the door of the studio if classes have to be cancelled. We will also post the information on the website (www.jennysdancedynamics.com) if you are too afraid to go out....declare your own "Bad Weather Day". Jenny's phone 587-8856.
- Holidays:** Holidays will generally follow the Weld County School Schedules, No School = No Dance. Holiday dates will be posted and an email notification will be sent out prior to holiday periods. **WE DO NOT CLOSE FOR TEACHER WORKDAYS.**
- Missed classes:** Tuition will remain the same regardless of any personal days taken. A credit can be given for any prolonged diagnosed illness, or a pre-arranged absence (i.e. family vacation). **Jenny must be contacted prior to the absences in order to receive the credit. *Jenny is not obligated to give you a costume or a refund on your costume or tuition if you do not finish out the year.*** If a child needs to quit please notify Jenny ASAP, payment will be due up until the time notice is given. If you lose your spot due to absences, you will still be charged tuition for that month and any late fees that may accrue.
- Class Dress Code:** We promote a learning environment. Dress code is as follows: Leotards, tights, jazz pants, and dance shoes. **No jeans or cut-offs, or pajama pants or sweat pants. Hair must be pulled out of the face.** Ballet 1, 2, 3, and 4, students must wear solid colored tights and leotards. **All students must wear the appropriate shoes to every class.** Students will be given 1 warning and then, if they are not dressed to dance, he/she will sit and watch. You would not send your child to swimming lessons without a swimming suit, so please do not send them to dance without their dance shoes/clothes.
- Shoes and Dancewear:** We would like all of our students to have the same type of shoes. All shoes can be ordered through the studio. Below is a list of what each class will need for shoes. If you choose to have your shoes ordered payment is due at the time the order is placed. There is a 2.9% tax on all shoes & apparel. If the studio has not received payment the order will not be placed and there will be a delay on receiving your order. Dance apparel can also be ordered through Ms. Jenny.

If a student misses Dress Rehearsal they might not be able to perform in the recital. Information will be available with times and dates as the recital gets closer. All students are expected to participate in the recital. If for any reason a student is not able to perform the instructor must be notified as soon as possible in order to fix formations. All classes will participate in our Winter Showcase that will be held at studio the December 13th-18th.

9. **Costumes:** Each class will have a different costume, and ALL CLASSES will have a costume and participate in the recital. I am very cost conscience when it comes to costumes, as well as "modest but in-style." All costume fees will be averaged into the monthly tuition. For students that register by September 30th the averages are listed below. Those that register after September 30th, the average may be a little different. Students will be measured in class to help the instructors order the correct sizes. If you choose to quit mid-season you will forfeit your costume fee, and Jenny's Dance Dynamics is not obligated to give you the costume.
Tumbling Class-\$4 ~ Pom Class-\$9 ~ Baton Class-\$9 ~ All OTHER Recreational Dance classes-\$7 (this average does not include tights or shoes)
10. **Baton Classes:** A Baton will need to be ordered for each student enrolled in a Baton class. The cost for the Baton is \$18.50 and will be due at the time of registration (returning students will only need to re-order a baton if they have outgrown their current one).
